Committee to Elect Marcus AMBROSE FOR YOUR JUDGE CIRCUIT COURT

August 18, 1992

Dear Voter:

We are writing on behalf of our enthusiastic endorsement of Marcus Ambrose, a candidate for Circuit Court (Group 28) -- who in a short time (he announced his candidacy on April 10, 1992) has garnered solid overwhelming support from the legal, political and civic communities. His support bridges our multi-ethnic county.

Marcus, a fifteen-year first chair litigator, has authored the **Blueprint for Justice** (available through campaign headquarters); a landmark document that marks the beginning of judicial and legal reform that has the promise to restore the legal profession and judiciary to the noble status they once enjoyed.

We believe that Marcus Ambrose will not only make a top notch judge, but will also go on to become an influential jurist that will lead and elevate the judiciary to new heights.

Enclosed is a two-sided document: an article contrasting Marcus with his opponent; and a lead story on Marcus Ambrose's candidacy. If you read this material, the choice of Marcus Ambrose as your judge is compelling.

A successful county-wide race against an incumbent is costly. Therefore, we urge you to join Marcus Ambrose and us with your support. Ours is a grass roots-fundraising effort; and your contribution whether large or small, would be considered generous and very much appreciated. Checks should be made payable to The Marcus Ambrose Campaign and returned in the envelope (postage paid) enclosed for your convenience.

We look forward to your response and Please **VOTE, SEPTEMBER 1, 1992.**

Sincerely,

Gary Brooks, Esq.
